

AFFIDAVIT OF IDENTITY THEFT

Attestation

I, DEBRA ELAINE YOUNG DUNHAM, being first duly sworn, state under penalty of perjury that the following is true and correct to the best of my knowledge and belief.

I am an adult resident of Lawton, Oklahoma, Comanche County and I make this affidavit for the purpose of documenting identity theft, disputing fraudulent activity, and supporting the removal or correction of unauthorized accounts, records, and related inquiries associated with my personal information.

Facts

On or about February 2026, I discovered that one or more inquiries appeared on my Experian report that I did not authorize or was unaware of. These inquiries included soft-inquiries or similar entries that I believe were not legitimately initiated by me. Although certain illegal or unauthorized soft inquiries were later removed from my Experian report, the unauthorized accounts were nevertheless opened, attempted to be re-opened, or reported using my identity and personal information without my knowledge, permission, or consent.

I did not open, authorize, apply for, use, possess, benefit from, or make charges on any such unauthorized account(s). I did not give permission to any person or entity to use my name, Social Security number, date of birth, address, or other identifying information to obtain credit, services, or any other benefit. Any account, application, inquiry, or transaction associated with these activities were made by an unauthorized person

The unauthorized accounts and related items known to me at this time include:

1. The student loans on Experian show a maturity date of Jan 2026 when in fact they were set to deferment until 2028. The total debt being reported on the actual credit report is \$96,081 yet the summary says \$161,113. The other bureaus have found and fixed the fraud, but Experian keeps changing the profile. The summary now shows \$155,846 but a total debt of only \$92,599.

Date generated: May 16, 2026

At a glance

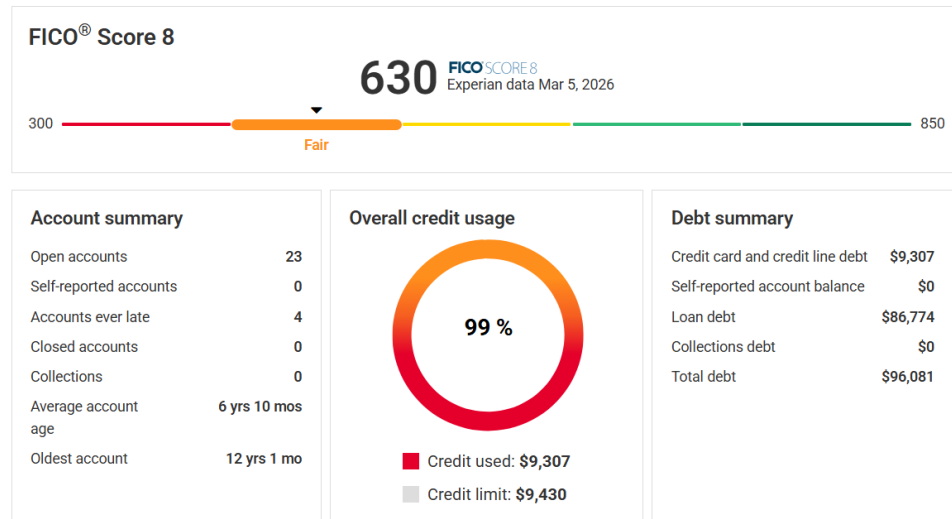

2. There were accounts modified or removed from the last summary report yet the student loans still show and the closed accounts aren't disclosed and need to be

deleted. The student loans should not be reported just as they are not included in the total debt.

Date generated: Mar 5, 2026

At a glance

Equifax and Transunion both have an identity theft event confirmation that the Penny Mac and Student loans should be removed yet it does not show on Experian. This was also closed on Equifax and Transunion but appears to be reopened with mismatching real name and SSN info but Experian has let it update and reflect the correct social security number although it was obviously re-created and updated as

new account.

3. The address on file of **1316172 NW SHERIDAN LAWTON, OK 73505** has never been reported, is invalid, illegally attached to the report, and still has not been removed and is proof of real name identity theft and needs to be deleted and is attached to the wrong profile with the student loans. As to Experian's own internal account, the address is associated with a business and is not a personal property as notated. Any obligations would report a personal residential address, especially If it is associated to any federal financial responsibilities such as a student loan which would require it to be even scrutinized even further as a residential address. All addresses need to be removed as there is either no lender reporting it, or nothing financially related attached to it, specifically **925 SW 35th Street Lawton, OK 73505**
4. The name Debra Elaine Dunham has never been used to apply for or collateralize any financial obligation and is proof of real name identity theft and needs to be removed. **Debra Dunham is an alias**, Debra Young Dunham, Debora Young Dunham, Debra Y. Dunham are aliases, and the **bureaus should only reflect my real name as Debra Elaine Young Dunham**. Debra Dunham is trying to be associated with my profile but is incorrect as well. Experian has switched the profile from March 31, 2026, until today and it now reflects Debra Dunham. There is also an updated social security number from the last dispute summary proving a secondary profile unbeknownst to me.
5. **There were 56 capital one inquiries removed from the credit report which were not shown on the other profile.**
 - a. All capital one accounts have mis-match real name and SSN info and are reporting inaccurate or mismatching company contact address and phone information across bureaus from the lender or none, and were opened or modified fraudulently, and do not show payments or proper balances. They were opened fraudulently and authorized users were added without my permission. **There is a 30-day payment showing on the account, but it was restricted and not permitting me to make payments, although phantom payments were pushed through ACH unscheduled without my permission or knowledge.**
6. The PennyMac mortgage was opened simultaneously with mis-matching real name, social security number, closing disclosures, account information, and have the wrong balances from the origination documents. The proof of this is contained within an e-mail message from David Madigan with a credit report attached showing

a social security number of 250-02-5057 which is unknown to me but was directly tied to Capital One, Depart of Education, PennyMac and the inquiries that are now deleted and missing that I was told did not affect my credit report or score and were unable to be modified, yet they still were.

- a. The payments say they started in July but do not match the mortgage from Sovereign and no payments were ever made directly to them.
 - b. The closing disclosures were recreated and clearly do not match what we signed at closing. The amount is incorrect and doesn't match the updated balance from April 08, 2026.
 - c. The welcome letter, note, and deed of trust have incorrect loan numbers, are not the original and the **FHA Mortgage Certification** is missing from the origination documents, and they do not have it either. None of the instruments were in the abstract filed in the county, but there is a release of lien that doesn't have my address or name or the previous owners.
 - d. <https://gitlab.com/city-of-lawton/evidence/dump/-/tree/release?reftype=heads> (city-of-lawton / 🤖 evidence / dump · GitLab) has all the evidence and <https://gitlab.com/city-of-lawton/sovereign-bank> has what pertains to this affidavit.
7. Every inquiry is matched to the Experian credit report with a purple number highlighted in yellow and shows a timeline of residential and commercial mortgage loans and lines of credit that were attempted and the red corresponds to the mortgage theft due to Experian allowing inquiries even though my profile has been locked and frozen. None of the Transunion promotional inquiries are legitimate and each one in the report is an illegal attempt to establish credit in my name and needs to be researched, investigated, and removed.

In the example below there are Transunion inquiries that were unauthorized and caused by the Sovereign and PennyMac theft.

SOVEREIGN BANK via XACTUS LLC

05/13/2025, 04/04/2025, 11/07/2024

8. My taxes in 2022 were fraudulently filed and coincides with the date of a foreclosure which is when my credit profile began to show alerts with mismatch addresses and SSN warnings.

9. **The inquiries highlighted in yellow are known to be accurate. The highlighted red selections are fraudulent as it relates to this report. The dates correspond to PennyMac and Sovereign attempts to ruin my identity and take place July – December. There is proof of inquiries from Sovereign and PennyMac masquerading with different names using the wrong dates.**
10. PennyMac created a new account with different balance information and the same account number, and it still cannot be disputed due to the status of my Experian profile on 3/8/2026.
11. **I received notification via SMS at the phone number on file even though I did not try to login and learned that it was from an unassociated profile that did not belong to me. I have not logged in since.**
12. **All of the inquiries that were recently removed are direct evidence that Penny Mac mortgage is illegitimate and now shows as if there were never any attempts by the company to implicate me.**
