

AFFIDAVIT OF IDENTITY THEFT

I, Devon Jermaine Dunham, being of lawful age and competent to testify, declare under penalty of perjury that I am the individual whose personal identifying information is referenced in this affidavit, that I have personal knowledge of the matters stated herein except where otherwise indicated, and that this affidavit is submitted to document identity theft, unauthorized use of my personal identifying information, and disputed items appearing in consumer reporting and related records.

Declaration

I declare that the statements set forth below are true and correct to the best of my knowledge, information, and belief. I have repeatedly requested that soft inquiries be removed from my profile, but each bureau has the conveyance that “it is typical to see small variations in reported personal information like names and addresses and that soft inquiries do not affect your credit score or profile.” However, ambiguity within this data allows multiple credit profiles that belong to the same person to have hidden accounts with identical account numbers from the same creditor with mis-matching information such as balance and payment history which is different at each bureau and is directly related to the real name true-identity theft I am experiencing.

Throughout this affidavit will show accounts with disparate information from different profiles with data that has changed overtime from each credit report summary or dispute results report.

Except where expressly identified as authorized by me, the addresses, aliases, accounts, inquiries, and related activity described in this affidavit were not initiated, opened, authorized, or benefited by me.

Statement of Facts

1. I have been identified by other credit bureaus as a victim of real-name true identity theft by Equifax, Transunion, and Consumerinfo.COM. I dispute every name other than Devon Jermaine Dunham and address other than 925 SW 35th Street Lawton, OK or 1530 PB LN Wichita Falls, TX 76302, Social Security Variation, Employer, Collection and other records listed in any bureau.
2. The address 927 SW 35th Street, Lawton, Oklahoma 73505, should not be associated with my profile. It first appeared through an SSN Tracker Alert on TransUnion on 11/28/2020, and again on 3/4/2022, 3/4/2024, 6/28/2025, and 9/5/2025 without my authorization or knowledge. I was informed that this address

was linked to Merrick Bank, but it appears to be associated with other accounts opened fraudulently.

5. Selene Finance LP is reported by Experian, while **Equifax has deleted it as of 6/5/2026**, but was showing Selene Finance LLC and TransUnion reports payment terms that do not match the modification documents along with mismatched balances, terms, dates and **account numbers** and was **opened fraudulently** using real name identity theft in an alias of Devon J. Dunham which is not my true identity. On 1/13/2026 it was stated via e-mail:

- (1) "According to your executed Loan Modification Agreement, effective April 1, 2024, the amount payable under the Note and Security Instrument (the "new principal balance") is \$62,266.20.

This amount includes previously unpaid amounts, along with interest and other sums that were capitalized as part of the modification. Of this amount, \$17,297.00 was deferred. The remaining portion represents the principal balance that is due and payable under the modified terms.

A copy of the executed Loan Modification Agreement is enclosed for your reference.

Please be advised that your account does not show any late fee balance. "

Yet, TransUnion shows a separate mortgage with a different account number totaling \$470 per month for 40 months, but I have been getting charged \$662, and I was still being charged a late fee the month of January and thereon even though it has been in dispute, and they have yet to provide the modification documents in the portal as I have requested until completing the CFPB.

1. On January 18, 2020, a Liberty National Bank account was reported as being opened according to my Experian alerts. This was unbeknownst to me, and I did not apply for or authorize that account and have asked that the bank close it.
2. On 1/23/2026, there were 66 items flagged from "Ran info against dark web," but were displayed in a different profile than Devon Jermaine Dunham and should not be displayed and is evidence that my personal identifying information has been compromised.
3. I am not responsible for the 27 or more OneMain inquiries identified in report 4939-7524-60. The 29 soft inquiries listed below are concerning because they appear related to unauthorized accounts and activity that do not belong to me and were opened fraudulently using real name identity theft and should not be shown in my real name or true identity. **Exhibit #25 specifically needs to be removed as it was opened fraudulently in a different profile as well and shows to be a collection of corporate nature.**
4. I communicated with Experian concerning Dispute No. 194621928 to request removal of a disputed address, removal of a name alias, flagging of Nationstar, removal of four soft inquiries, and opt-out from prescreening but **I continue to get**

inquiries from Experian.

5. **There has been a change in my Experian report in which Devon Jermaine Dunham shows as my real name and “true identity”. Every account listed was opened fraudulently as it was not opened using this profile and is shown in this profile because the bureau allowed it to be updated as such.**
6. Additional activity further supports my identity theft claim, including the following: (a) when I logged into Experian, a two-factor authentication text displayed a number that is not associated with my account; (b) after I evicted a renter and contacted the Lawton Police Department, my passport card was taken and a citation was issued containing mismatched personal identifying information and profile details I did not provide, followed by my discovery that a police report had been opened in my name on 3/11/2026 without my knowledge and was under investigation for fraud.

Relief Requested

I request that all consumer reporting agencies, furnishers, creditors, and other relevant entities promptly block, remove, suppress, synchronize or otherwise cease reporting any account, tradeline, inquiry, alias, address, phone number, or other identifying information that is unauthorized, inaccurate, unverifiable, or the product of real name true-identity theft.
2. I request correction and deletion of all disputed personal identifying information, including aliases, addresses, employers, collections, and contact information that do not belong to me or were associated with my profile without my authorization.
3. I request a reasonable investigation and written validation from each entity that accessed, used, furnished, or relied upon my personal identifying information, including the basis for each inquiry, account opening, tradeline, or report entry reflected in the records attached to this affidavit.
4. I request that any collection, servicing, lending, foreclosure or delinquent reporting activity related to disputed or unauthorized accounts be suspended or blocked pending investigation and resolution.
5. I request written confirmation of all corrections, deletions, blocks, suppressions, fraud flags, and other remedial actions taken in response to this affidavit.
6. I further request any other relief, protection, or corrective action available under applicable law to prevent additional misuse of my identity and to restore the accuracy of my consumer and related records.

Further affiant sayeth not. I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.
